

AMME 22

22nd INTERNATIONAL CONFERENCE ON
APPLIED MECHANICS AND MECHANICAL ENGINEERING
12-15 MAY 2025

Those interested in presenting scientific papers are invited to submit a full paper by **February 15, 2025**, via online registration. The paper should include the paper title, full name, affiliation, address, and E-mail of the author(s). The authors will be notified of acceptance of their paper by **April 1, 2025**.

CONFERENCE TOPICS

- 1- Mechanical Power Engineering
- 2- Robotic, Automation and Control
- 3- Dynamics and Vibration
- 4- Material Science and Processing
- 5- Production Technology
- 6- Solid Mechanics
- 7- Mechanical Design
- 8- Automotive Engineering
- 9- Mechatronics
- 10- Ballistics
- 11- Acoustics and Noise Control

EXHIBITION

Organizations and individuals are invited to display their state of the art technological products during the conference period. Secured indoor and outdoor areas are available.

Interested organizations are requested to fill in and mail the included registration form of the conference.

SEMINARS AND INVITED LECTURES

The conference program will include invited lectures and seminars covering the state-of-the-art achievements. Participating organizations will be allocated one-hour seminar, including 30 minutes presentation, followed by 30 minutes discussion.

CONFERENCE VENUE

AMME-22 will take place at the Military Technical College in Cairo (MTC).

Prospective authors are required to submit their manuscripts electronically. It is important to ensure that when you submit your paper, it is in its final form ready for publication, and has been thoroughly proofread. IOP does not copy edit or reformat papers and will not send out author proofs prior to publication. Post-publication changes are not permitted, so please ensure that your paper has been checked for errors.

CALL FOR PAPERS

The International Conference of
Military Technical College
May 12-15, 2025 Cairo EGYPT

AWARDS Best Paper Awards

The 21st International Conference on Aerospace Sciences & Aviation Technology (ASAT21), Sponsored by The Egyptian Ministry of Defense and Organized by The Military Technical College Cairo- Egypt since 1985, targets promotion of interdisciplinary understanding of aerospace systems. The conference topics aims to attract the researchers from all over the world working on frontiers of aerospace science, technology, and engineering that may significantly impact the field. For the last forty years, the conference has embraced a large number of research papers that were presented

Important Dates

- **Deadline for Paper Submission**
15th February, 2025
- **Notification of Paper Acceptance**
1st April, 2025
